

ACCESSIONS, July 1, 2008-June 30, 2010
Archives and Records Section

Unless otherwise noted, microfilm copies of records listed below are copies, filed for security purposes, of original records in the North Carolina Department of Cultural Resources, Office of Archives and History, Archives and Records Section, or the agency in question, or of records that have been destroyed under provision of approved schedules. In most cases, records listed below are filed under the name of the agency from which they were transferred. Because of state government reorganization, records may not be filed with the same administrative unit that created them. For the purpose of this Appendix, unless otherwise noted, "boxes" are vertical boxes of .4 cubic foot content and "reels" are of 16mm. negative microfilm. The abbreviation "ATM" indicates "additions to previously accessioned material."
