1. 1755, 21⁴ Dec. Whitehaven. Collector and Comptroller to Board. Report on a petition by Christopher Wilson to be allowed a certificate for 41 barrels of tar from North Carolina. The said Wilson entered at Customs of Whitehaven for 707 barrels^{star} on 6 June 1754 in the Mellor, Joseph Wilson master, from North Carolina. The dispatches, however, from North Carolina allowed only 666 barrels. No bounty was allowed on the extra 41 barrels as they appeared not to be the produce of American colonies. He has since produced a certificate dated 27 Mar. 1754 at Port Roanoke in North Carolina for the 41 barrels in question. The Collector and Comptroller need the master of the ship's attestation to the validity of this certificate, but he is now abroad. If given permission, they have no objection to issuing the bounty. 80.502.1
