Twelve Reasons Why Women Should Vote

1. BECAUSE those who obey the laws should help to choose those who make the laws.
2. BECAUSE laws affect women as much as men.
3. BECAUSE laws which affect WOMEN are now passed without consulting them.
4. BECAUSE laws affecting CHILDREN should include the woman's point of view as well as the man's.
5. BECAUSE laws affecting the HOME are voted on in every session of the Legislature.
6. BECAUSE women have experience which would be helpful to legislation.
7. BECAUSE to deprive women of the vote is to lower their position in common estimation.
8. BECAUSE having the vote would increase the sense of responsibility among women toward questions of public importance.
9. BECAUSE public spirited mothers make public spirited sons.
10. BECAUSE about 8,000,000 women in the United States are wage workers, and the conditions under which they work are controlled by law.
11. BECAUSE the objections against their having the vote are based on prejudice, not on reason.
12. BECAUSE to sum up all reasons in one—IT IS FOR THE COMMON GOOD OF ALL.

Who Represents Her?

IF a woman is responsible for an accident, if she defaults on her contracts, if she slanders her neighbors, is any man arrested, sued, bound over to keep the peace?

IF a woman steals from her employer, does her father, husband, brother or son serve out her term in prison?

IF a woman kills somebody, what man represents her in the prisoner's dock during her trial? What man represents her in the electric chair if she is convicted?

IF a widow or an unmarried woman fails to pay her taxes, is the property of a male relative or of the man next door sold to satisfy the debt to the State?

IF a woman forges a check, does her father, her husband, her employer, go to jail for felony?

WHY is it that the only place in the world where man wants to represent woman is at the ballot box?
