

ACTIVITY: Historical Highway Marker

Review the document set at your station and write a marker with the most important points about your subject. Make a note of where you would place the marker in N.C. Tape your completed marker to the wall near the station for your subject.

Extra challenge: historical highway markers have 15-20 words; *can you be as brief?*

Cornelius Harnett marker, U.S. Highway 117 (Cornelius Harnett Drive) at Jel Wade Drive, Wilmington, New Hanover County.

Moore's Camp marker, Cumberland County, intersection of State Highway 87 and Butler Nursery Road.
