## ACTIVITY: Design a Symbol

In the 1770s, pictures were not easy to mass produce. Some symbols contained only words. This is a symbol from the Surry County Committee of Safety. Its job was to enforce the boycott created by the First Provincial Congress.

*Imagine:* You live in Edenton in 1774 and are friends with the woman writing the Edenton Resolves. She's asked you to help gather support for the cause. Design a symbol and slogan in the box below that you can use to share the message.

On the back of this page, *explain* the meaning behind your *symbol* and *slogan*.

Secretary of State, Surry County Committee of Safety  
Journal, SR.12.13.3.001, State Archives of N.C.
