

GOVERNOR'S PAPERS
James E. Holshouser, Jr.

GENERAL CORRESPONDENCE, 1976

Accession information: Transferred from the Governor's Office on
December 19, 1977; accessioned December 29, 1977,
Schedule Reference: None.
Arrangement: Alphabetical within series.
Finding aid prepared by: Minnie Bridges
Date: July 3, 1979.

The general correspondence file of the governor consists of letters,
reports, speeches, statements, etc. Duplicate materials have been
removed.

Duplicate printed materials related to North Carolina have been
transferred to the State Library. Empty file folders have been retained
with a notice to that effect placed in the folder. The filing system
used by the Governor's Office is essentially the same as the one initiated
in 1967.

Although the structure of state government was changed in 1972 under
the Executive Organization Act of 1971, the 1976 files do not always
reflect this new structure. Some agencies are identified by their pre-1972
titles; and their records are filed under their old designations.

The files are organized as follows:

- State Agencies, Boards, and Commissions
- States File
- Counties File
- Federal Government
- Governor's File
- Institutions--General
 - Correctional
 - Educational
 - Mental
- Alphabetical File
- Associations and Organizations
- Extraditions and Requisitions for 1974 - 1976
