Processed By: Sam Shine

Finding Aid Prepared By: Sam Shine and James Mark Valsame

MARS Number: 373.1

RS No.: 34903

Date: November 19, 2009

The General Correspondence for 1987 consists of letters, memoranda, reports, and other enclosures sent to the Governor, and his official responses to that correspondence. The incoming correspondence has a routing sheet attached, which provides a summary of the correspondence and its assignment to a topics file. These topics were chosen by the Governor's Correspondence Unit, and are arranged in alphabetical order by subject and then alphabetical by correspondent within the file. This record series is divided into sub-series consisting of State Agencies, Federal Agencies, Special Category, and Governor's Office topics. Important topics for 1986 include education, high level nuclear waste, low level nuclear waste, military, roads, school based clinics, Shearon Harris Nuclear Plant, and taxes.
