1. 1773, Mar. 4. London. Dr. Hind to the Rev. Mr. Earle, Missionary in North Carolina. Concerns charges against Mr. Earle, viz: that he charged 30s to James Blount for administering the Sacrament to his dying mother; charged 10s for Baptism of a child and allowed another child to die unbaptized. The Society hopes he can vindicate himself.

2. Oct. 19.—St. Anne's. (London) Dr. Hind to John Martin, Governor of North Carolina. Concerning Mr. John McClean, who was recommended by Gov. Martin for ordination and desired to be sent to North Carolina. There is some confusion over his appointment to a province in North America and his rights to assistance from the Society.

3. Dec. 17. St. Anne's. (London) Dr. Hind to Rev. Mr. Charles Edward Taylor, St. George's, North Carolina. Concerns charges against the Rev. Mr. Earle (see above) and Mr. Taylor's support of these charges. The Society now accepts the vindication of Mr. Earle and asserts that Taylor was motivated by resentment and jealousy.

4. 1775, Jan. 2. St. Anne's. (London) Dr. Hind to Rev. Mr. Christian, Brunswick, North Carolina. Concerns an application for increase of salary and gives a clarification of the nature of his appointment, which under the new rules, is for two years only as a missionary of the Society.

5. Mar. 18. St. Anne's. (London) Dr. Hind to the Rev. Mr. Earle, Edenton, North Carolina. Due to Mr. Earle's poor health, the Society has agreed to his exchanging his present situation for a more healthy climate.
